CORE BELIEFS

We believe that the education provided at ISB should reflect the school's core values and objectives. Our international curriculum allows ISB students to evolve into confident individuals and caring citizens of the world.

We believe that:

- **A successful school** celebrates similarities and differences, encourages the development of global citizens, promotes a healthy and secure learning environment, enjoys a supportive and involved community and connects with the rest of the world - **Community**
- **All learners** can experience success, gain self confidence, become self-directed learners and become positive contributors in a community of different cultures - **Integrity**
- **An effective community of learners** is knowledgeable in their respective content areas, have different teaching styles, recognize and work with different learning styles and unique talents and work hard to grow personally and professionally - **Respect**
- **A successful educational programme** meets the needs of and actively involves all students, supports student growth and success, is integrated, continually developing, multi-dimensional, inquiry based and models life skills - **Responsibility**

CORE OBJECTIVES

ISB aims to:

- Provide a positive and enriched learning environment for all - **Community**
- Uphold the rights of all individuals and build academic honesty while developing lifelong learning skills - **Integrity**
- Foster an atmosphere of cooperation, open mindedness and a positive attitude towards ourselves and others - **Respect**
- Offer a quality educational programme which is adaptable to the needs of students and develops the skills for lifelong learning - **Responsibility**
